

COVID-19

Your Board of Directors at Mariners Boathouse and Beach Resort is focused on the health, safety and wellbeing of our Owners, Guests, Renters, and Staff. The town of Fort Myers Beach ordered all resorts-including timeshares close March 31st until June 26th. If the order changes, the resort will directly notify any affected reservations as soon as possible.

We will be in regular contact with VRI Management, and the local authorities to determine when it is safe to re-open the resort.

Staff members will continue to work and be paid during this time of closure to occupancy. They are performing maintenance projects and cleaning of the property to provide an improved experience upon reopening.

As owners at Mariners Boathouse, we are all obligated to pay our Annual Fees whether or not we are able to use our unit. We understand that some owners will be unable to use their units for this year.

We pray that all our Owners, Guests, Renters, and Staff stay healthy during this time and return to our beautiful slice of paradise that we know and love as our home away from home.

Wishing you good health,

The Board of Directors
